

CERTIFICATE OF APPROVAL

This is to certify that

Western Extrusions

Is an

APPROVED APPLICATOR

Of Sherwin Williams Fluropon® family of 70% fluoropolymer (PVDF)
resin based paints.

*The approval of **Western Extrusions** as an approved applicator of Fluropon®
indicates that*

*they meet the rigorous standards of pretreatment, application, quality control, and
handling required by THE SHERWIN WILLIAMS COMPANY, and that Western Extrusions
agrees to ongoing monitoring of procedures and periodic submissions of samples for
testing.*

*THE SHERWIN WILLIAMS COMPANY manufactures all Fluropon® factory colors under
ISO 9001 procedures. Fluropon® colors meet the high performance standards of
AAMA 2605-17.*
