Dear Western Extrusion,

Western Extrusion has met the requirements as an approved applicator to apply PPG Industries coating products. Approved applicators are audited on a regular basis and provide high levels of process quality in applying coatings.

A thorough line evaluation and analysis of production pieces painted at their facility have met or exceed the requirements of the AAMA 2603, 2604, and 2605 specifications. Western Extrusion is approved applicator of Duranar and the full portfolio of PPG architectural coatings.

Please visit the PPG website at www.ppgideascape.com to review the company listing.

If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads 'Scott W. Moffatt'. The signature is written in a cursive style with a small 'es' mark at the end.
