

## **Certificate of Compliance Buy American Act**

May 31, 2024

Dear Valued Customer,

This is to confirm that the extruded aluminum products supplied by Western Extrusions Corporation are produced domestically within the United States of America and meet the requirements of Buy America and the Federal American Recovery and Reinvestment Act of 2009. 100% of manufacturing consisting of billet casting, extrusion, fabrication and finishing of our extruded aluminum products is performed by employees of Western Extrusions Corporation at our Carrollton, TX and Pennsauken, NJ facilities.

Western Extrusions Corporation appreciates your business and values our mutual partnership.

Respectfully,

*David Ifft*
